

COMMUNICATING WITH STYLE

Are you ready to stop engaging in frustrating conversations that go nowhere and start communicating effectively?

Effective communicators advance faster, earn the respect of others, and get more done because of their ability to express themselves in a way others understand. Being able to adapt your communication style to match another person's is one of the most powerful ways to improve all of your communications.

DO YOU NEED TO:

- ❖ Work with people who have different priorities, focus, and pace?
- ❖ Connect with people who seem to be on a "different wavelength" than you?
- ❖ Bridge communication gaps with reports, peers, and superiors?
- ❖ Get to the heart of customer problems and prevent them from escalating?
- ❖ Clearly and confidently report results to leadership?
- ❖ Facilitate meetings that engage both outspoken and reserved participants?
- ❖ Make your messages easier to understand and accept?
